

## Final Project Proposal Rubric

This is the rubric to assess the proposal for the final project.

### 1 Project Proposal (30%)

This section covers the requirements that you must meet to score in this section. For the purpose of grading this week we will not be evaluating the quality of your project just the quality of your proposal specifically the following.

- Explain the project you want to do in clear English
- Clearly identify the libraries you will be using for your project
- Identify any background you have that will help you succeed in your project

### 2 Outside Library Exploratory Work (30%)

This section covers the work done identifying and testing the outside library that you will be using with this project.

- Library identified for project
- Examples built with library

### 3 Documentation (20%)

- Final proposal in PROPOSAL.md
- Development documentation in DEVELOPMENT.md

### 4 openFramework Snake (10%)

- openFrameworks snake runs

### 5 Presentation & Participation (10%)

- Present project proposal including motivation and key challenges expected
- Arrived on time with all necessary materials and ready to go
- Appropriate pacing and engagement of the fellow students
- Engaged and paying attention to other students presentations
- Asks questions and/or makes comments that further the discussion\*
- Explains reasoning for why something is good or bad
- Behaves respectfully to moderator and other students
