Lab assignments are given each Thursday morning during lecture. You must complete the lab before the next Thursday lecture.

Lab attendance is 100% required, and is electronically monitored. If you miss your scheduled lab for any reason, you must make it up before next Thursday lecture.

If you would like to change your lab time or lab team, please email TA Jack jhweil2@illinois.edu

In addition to your scheduled lab time, you may use the lab during open times or weekends on a first-come first-served basis.
