

## Institutional Animal Care and Use Committee

University of Illinois

TO: Mark Hauber  
FROM: Josh Gulley, PhD  
DATE: Tuesday, April 3, 2018  
SUBJECT: Approval of Animal Use Protocol

Your animal use protocol submission entitled, "Neuroethology of host-parasite recognition systems," was approved by the Institutional Animal Care and Use Committee (IACUC) on Tuesday, April 3, 2018. The IACUC approval number for this protocol is 18040.

Please note that changes in the protocol, animal numbers, or personnel must receive approval by the IACUC.

This approval is valid for a three-year period, which expires on 4/2/2021. If work will continue beyond the expiration date, a new protocol will need to be submitted and approved by the IACUC prior to 4/2/2021. Additionally, federal regulations and campus policy require annual administrative review of protocols. You will receive notification from the IACUC prior to the deadlines for these reviews as well as for the protocol expiration.

If you have any questions, please do not hesitate to contact the IACUC staff.

Sincerely,

A handwritten signature in black ink that reads "Josh Gulley".
