Project # _____   **Semester** _____

Reviewer _____ **NetID** _____

Speakers	IP Score (0.5-1.0)

Note: Individual Performance (IP) scores act as a multiplier on the final grade for each individual presenter. A score of less than 1.0 will occur if a team member is not sufficiently involved in the presentation, e.g. does not speak, does not answer questions, or does not appear to understand the technical content of the project.

Final Presentation Evaluation Sheet

Preparation   _____/10
