Instructions for using CATME

You should have received an email with a link to set up an account on CATME. Your account uses your email address (as listed in Banner) as your username. You should also receive an email from CATME asking you to take the survey where we collect demographic information that will help us form groups for your discussion.

1. Log in and at the Instruction screen click on the “Complete Activity” button.

2. Answer all questions for the Demographics page then click “Next”

3. You may enter any confidential comments in the text box (optional) and then click “Finish”
